(202) 3587078/56
Fax : (202) 3786542

Certificate

This is to certify that Egypt Control Systems Engineering (EGYPTROL) has satisfactory completed its contractual obligations in providing Electrical Installations Contracting Services for the following USF Permutit Sewage and Water Treatment plants projects:

Project -Year : **HOSNY Factory** (Tenth of Ramadan City) Industrial waste water treatment plant -2000

Value in LE : 19,000 (nineteen thousands Egyptian Pounds)

Scope : Electrical and instrumentation installations.
- Modifications of control panels according to USF Permutit requirements.
- Shop drawings for electrical and instrumentation installations.

Project -Year : **El Malha RO** units and Sewage Treatment Unit -2000

Value in LE : 28,000 (twenty eight thousands Egyptian Pounds)

Scope : Complete Electrical and instrumentation installations
Preparation of As Built drawings

Project -Year : **Reef Oasis Village** Water Treatment Plant
and

Fantazia Resort Swimming Pool (Sharm El Shiekh) -2000

Value in LE : 6,000 (six thousands Egyptian Pounds)

Scope : Partial Electrical Installations

USF Permutit treasures the remarkable performance of EGYPTROL in providing the services and recommends the use of EGYPTROL services in similar projects.
